SUMMARY

I have 8.8 years of experience as a front-end developer skilled in HTML, CSS, and JavaScript. I excel in creating responsive and engaging web applications using frameworks like Angular, React, and Vue JS. My strong problem-solving skills and continuous learning mindset ensure I stay updated with the latest web technologies, making me a valuable asset in any project

SKILLS

RxJS   Angular   HTML5

CSS3   JavaScript

TypeScript   Node.js   React

Vue.js   Angular Material

Agile   Git   Ionic Cordova

Visual Studio Code   AEM

PROJECT HIGHLIGHTS

HealthCare

📅 08/2023   📍 Chennai, India

Admin/User Module for Smart request

- Integrated reusable UI componentsandAPI Integration.

AEM

📅 01/2024 - 04/2024   📍 Chennai

AEM Guides

- Incorporate HTML and CSS to generate a PDF.

Admin Module

📅 09/2023 - 12/2023   📍 Chennai

Angular version updation

- A successful upgrade of Angular 9 to Angular 16
- Implemented UI components using Angular Material

EXPERIENCE

Senior Software Developer

RR Donnelley   📅 07/2024   📍 Chennai

Roles & Responsibilities

- Developed and optimized responsive UI screens using Angular 10, implementing reusable custom components, shared modules, and clean UI architecture.
- Integrated REST APIs with RxJS for efficient state handling using observables, subjects, operators, and async data streams.
- Improved performance and maintainability by modularizing features, optimizing change detection, and refactoring code for better scalability.

Senior Consultant

Capgemini   📅 09/2022 - 06/2024   📍 Chennai

Roles & Responsibilities

- Developed and maintained UI features using Vue.js 2, delivering responsive screens and reusable UI components for improved user experience.
- Successfully executed the Angular upgrade project, migrating applications across multiple versions.
- Improved front-end quality by optimizing code structure, reducing load time, and ensuring smooth compatibility across upgraded Angular environments.

Senior Software Engineer

Inspirisys Solutions Limited   📅 02/2021 - 09/2022   📍 Chennai

Roles & Responsibilities

- Developed scalable web and mobile applications using Angular 12 and Ionic-Cordova, delivering responsive and high-performing user interfaces.
- Implemented rich UI components with Angular Material and PrimeNG, ensuring consistency, usability, and modern design across the application.

Software Developer

TripMidas   📅 10/2017 - 02/2021   📍 Chennai

Roles & Responsibilities

- Achieved developing large-scale web applications using Angular 5/7 for online airline, hotel, and cab bookings, delivering end-to-end search and booking workflows.
- Built responsive, high-quality UI screens using PrimeNG and Angular Material across 3.5 years of project experience.

UI/UX Developer

Prom Telesoft Pvt.Ltd   📅 07/2016 - 08/2017   📍 Bangalore

Roles & Responsibilities

- Developed Static web applications
- Worked on UX design
- Creating Brand logos using Adobe Photoshop

UI Developer

SYSVERS Technologies   📅 04/2015 - 06/2016   📍 Chennai

Roles & Responsibilities

- Practice on Static Web page creation

EDUCATION

Bachelor of Engineering

Sri Sairam Engineering College   📅 08/2002 - 06/2006   📍 Chennai
